SURUCHI VIRGAONKAR

Nashik, India | suruchivirgaonkar.cs@gmail.com | www.linkedin.com/in/suvi264/ | My Portfolio

SUMMARY

I am a motivated and dedicated 3rd-year Computer Science and Design BE student studying at K. K. Wagh Institute of Engineering Education and Research, Nashik. I am passionate about staying up-to-date with the latest advancements and trends in software development, ML, and AI. My long-term goal is to pursue a career that allows me to solve complex problems and make a positive impact through innovative technological solutions. As a budding computer scientist, I aspire to leverage my skills and knowledge to contribute to the technology industry's growth.

SKILLS

Technical: JavaScript, C++, C, Python, MySQL, Problem Solving, HTML, Bootstrap, CSS.
Tools: Version Control System, ServiceNow, VS Code.

EXPERIENCE

KriviSoft Tech LLP

Trainee Engineer   *Mar 2023 – Present*
- Implemented user management, assigning roles and handling incident assignments in ServiceNow, ensuring controlled access.
